

Cold Sores and Fever Blisters

are only outward manifestations of the inflammation of the mucous surface that lines the lungs, the stomach and all the digestive tract, but they give you evidence of how sore a membrane may become as a result of inflammation, which is stagnation of the blood, rightfully called acute catarrh.

If you suffer from such conditions don't let them become chronic, don't run the risk of systemic catarrh.

Clear it Up With PERUNA

When your system is cleared of all its poisons, the membranes soothed and healed, the cold gone, your digestion restored, you will enjoy life, feel equal to all its tasks, and be at peace with the world. Let Peruna do for you what it did for this sufferer:

Mrs. L. A. Patterson, 238 Utah Avenue, Memphis, Tenn., says:

"I have been a friend of Peruna for many years. I have used it off and on for catarrhal complaints and found it a very excellent remedy. I have a small family of children. These are hard with us, but I can scarcely afford to do without Peruna, especially during the season of the year when coughs and colds are prevalent. We always recommend Peruna to our neighbors, for the benefit it has been to us."

You needn't suffer longer with such a remedy at hand.

Peruna can be obtained in tablet form. You can carry it with you and take it systematically and regularly for a remedy, or as needed for a preventive. Get a box today.

HAPPENINGS OF A DAY IN LAKE COUNTY'S LIVELY CAPITAL

Tom Mrazek has accepted a position in the Hotel Greenway store.

Mrs. John Kramer is entertaining her sister Miss Gary, of Chicago for a few days this week.

Miss Mary Williams, who has been in the Westernman dry goods store, has resigned her position.

Mrs. Fred Burr is recovering from quite a severe attack of quinsy.

The Chicago & Erie's Liberty Loan train was in Crown Point Wednesday afternoon and the officials in charge of the train paraded the streets of Crown Point in automobiles headed by Crown Point's fire and drum corps in the Wells Fargo truck.

Ralph, the four months old son of Mr. and Mrs. Mike Douchette, died early Wednesday morning after a short illness caused by measles. The funeral was held at St. Mary's Catholic church at 9 o'clock on Thursday a. m.

The death of Mrs. Sarah Thomas occurred on Sunday after a long illness.

caused by heart trouble and a general breakdown. She was 56 years of age at the time of her death and had been a resident of Crown Point for 43 years, coming to Lake County in 1875, where she resided for a few years on a farm near Lowell, later coming to Crown Point. She was the wife of J. Thomas, who preceded her in death several years. The funeral was held at the home on Grant street, the members of the Believers' church having charge of the services at 1:30 on Thursday.

All citizens of Crown Point and vicinity are requested to attend the big celebration at Hammond on Friday, April 26, and all who can, are requested to participate in the parade in the afternoon by falling in with the Crown Point section. The parade will form at Harrison Park and start at two o'clock. Let us show the county that we are awake.

The Duke of Wellington

often called the "iron duke," showed his courage and strong will at Waterloo when he helped defeat Napoleon. It takes greater courage, vim, vigor and lasting qualities to win the battle today in the front-line trenches than it did in olden times. Energy is a natural outpouring of a healthy body. It does not spring up in a night. Build up that which Nature has given us by taking a compound of iron, recently compounded by Dr. Pierce, and named by him "Ironic." This iron-ionic tablet is easily taken up by the blood.

The prime necessity of life is health. Inject red blood into your arteries and become efficient. Success often disappears for lack of iron. Take the average man and woman on the streets, for example. Watch them go plodding along, no spring, no elasticity, no vim. What one needs is spirit, energy, the power to force one's self into action. If you try "Ironic" tablets, the brain responds to the new blood in circulation; the body is ready to fight against stagnation, which holds you in bondage. You gain in vim, vigor, vitality. Try it now. Don't wait. Today is the day to begin taking "Ironic" tablets. A little "pép," and you laugh and you live. A little energy saves the day. "Ironic" tablets make rich red blood. With good red blood comes courage, then comes success, which leads to more and more success. Dr. Pierce's "Ironic" tablets are to be had in 60 cent vials at most drug stores. If you wish to test them send 10 cents to the Invalids' Hotel, Buffalo, N. Y., and get a trial package.

Point had their second April meeting Tuesday the 23rd at the Library. The meeting was opened by the singing of the Star-Spangled Banner. Miss Josephine Meeker gave a review of Dr. Anna Howard Shaw's book, "The Story of a Pioneer," which is the autobiography of Dr. Shaw's life. It proved interesting to all of the members. Because of Dr. Shaw's recent visit to Indianapolis during the state convention of the Franchise League last week and because of her prominent place in War work as chairman of the National Council of Defense, Miss Meeker gave the review in her best "flow" manner and it was much appreciated by the members. The club was pleased to have with them Mrs. Hank.

LIBERTY DAY PROCLAMATION.

WHEREAS, The President of the United States has designated April 26 as Liberty Day, to be observed as such by all citizens throughout the nation; and

WHEREAS, The President has asked that all citizens on the afternoon of that day set aside all their private affairs and assemble in public to participate in patriotic demonstration and endeavor to further the cause of the Nation's Liberty Loan; and

WHEREAS, It is the aim of the people of Crown Point and its vicinity to do their utmost to give financial aid and every other support to the Government in this time of trial and peril; and

WHEREAS, The city of Crown Point has always occupied a place on the Honor Roll of loyal and patriotic communities, and hereby gives its pledge to the Nation that it will continue to do so until the very end, therefore,

BE IT RESOLVED, That the afternoon of Friday, April 26, beginning at 1 o'clock, be observed as a legal holiday, and that all places of business be closed, and that we all arrange to be present and participate in the Liberty Day Celebration of Lake County to be held in the city of Hammond on said day to the end that the patriotic enthusiasm aroused may result in a tremendous oversubscription of Lake County's quota of the loan, all of which is hereby proclaimed in accordance with proclamation of the President of the United States.

BENJ. E. HAYES,  
Mayor of Crown Point.

LAKE BOATS FINE FOR REGION

(Continued from page one.)

3. To bring in farm products as far south as Indianapolis by way of Michigan City, the boat line to connect with the Interurban at that place.

4. To lower the cost of living and to insure better prices for merchants as well as for consumers by having the produce brought direct to Lake county instead of having it pass through here to Chicago and then re-shipped back again to this county.

5. To make the country's docks on the ship canal somewhere between East Chicago and Indiana Harbor, the center of the marine distributing point. The East Chicago Transfer company's fleet of motor trucks will haul freight to and from Gary, Hammond, White, and East Chicago city points.

6. To have incoming freight delivered at stores at least by 4:30 a. m. and insuring fresh produce shipped the night before.

"We find East Chicago-Indiana Harbor affords the best site for our docks as it is the center of the region. An effort was also made to get dock space at Gary as we also wanted our steamers to stop there, but Gary's docks are for the use of the ore boats and we can't come in there. However, Gary will benefit by this," said Mr. Friedman.

Ald to Housewives.  
President Friedman also added that the boat line will enable housewives

to get in Michigan fruit for canning and at a lower cost than has been the case heretofore.

"A person can leave an order with us and the following morning can get their fruit for canning delivered," he said.

Is Closing Deal.  
The first of the two steamers to be leased by the company is 40 feet long. George H. Lewis is manager of the transfer company, which is capitalized at \$50,000. Further details of the new marine line, which no doubt will be welcomed by Lake county people, will be made public when Mr. Friedman returns from Detroit in a week or ten days.

and Americans. The Americans in this sector at least apparently are brigaded with Petain's men, rather than Haig's.

A French statement described "Franco-American positions" between Hangard-on-Sauree and Hallies. The latter village is only seven miles southeast of Amiens on the west bank of the Avre. The Americans thus are accorded the signal honor of battling the Germans at the point of their nearest approach to Amiens.

Hangard-on-Sauree is three and one-half miles east and slightly north of Hallies on the north bank of the Luce. In late reports Paris admits its capture.

The enemy in its initial success in capturing Villers-Bretonneux, three miles north of Hangard-on-Sauree from the British, have been forced back in some places by counter-attacks. Haig reported today.

The opposing armies are still surging desperately across the ten-mile front between the Somme and Avre.

In Flanders French and British troops are resisting a heavy assault on a wide front. This attack probably extends from two miles north-east of Bailloni to the vicinity of Wytschaete, four miles to the east. This encompasses several of the important heights lying southwest of Ypres and the allies are believed to have every advantage of position for inflicting the heaviest casual ties on Hindenburg's masses.

(UNITED PRESS CABLEGRAM.)  
LONDON, April 25.—American troops are in the defense of Amiens. The French night statement disclosed the fact that American units are holding positions south of the Somme and along the Avre in conjunction with the French.

The Germans directed their heaviest attack against the positions in the region of their offensive yesterday. The fighting is continuing along a wide front there, according to latest official reports. An intense bombardment of the Franco-American positions south of the Somme and on the Avre was followed by a German attack along this whole front by considerable forces at 5 a. m. this morning, declared the official statement from Paris.

Everything depends how on the weatherman. The predictions are for cloudy and warmer but Hammond prays that the showers may be staged until Saturday.

REVOLUTIONISTS FOUND GUILTY  
SAN FRANCISCO, April 24.—Twenty-nine men charged with conspiring on American soil to start a revolution against British rule in India were found guilty by a jury in the federal court here today.

Among those convicted were Frank Ropp, former German consul-general here, and practically the entire consular staff. The two defendants who were killed during the shooting fray in the courtroom yesterday were not mentioned in the verdict. The trial cost the government half a million dollars and lasted five months.

Nujol Affords Double Relief

How Nujol relieved Mr. Polk of pile trouble, as well as establishing regular habits, is described in the following letter:

NUJOL LABORATORIES,  
STANDARD OIL CO. (New Jersey),  
BAYONNE, N. J.

Dear Sirs:—

I have been using Nujol for several months and am well pleased with it. A tablespoonful night and morning does away with constipation, with no perceptible bad result. In using it for constipation, it has relieved me of trouble with the piles.

Yours truly,  
W. L. Polk.

Vicksburg, Miss.,  
Dec. 24, 1916.

If you have suffered from piles, you know the pain and difficulty of bowel movements. You handicap their healing if you do not keep your system clean and regular. And salts and purges only make the pain more acute.

Nujol covers the affected areas with a protective film. It allays irritation, makes the food waste pass easily over sore spots without friction, and helps the piles to heal.

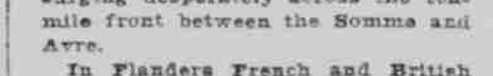

Thousands who suffer from the double complaint are finding relief in Nujol. Mr. Polk did, and is insuring his future health by the Nujol treatment, safe, gentle and sure. You can have the same health. Try it.
